

The Cutting Garden

### **WEDDING PRICE LIST:**

Dear Bride-to-be,

At the Cutting Garden we aim to do everything possible to make sure that you look the way you want to on your special day.

The following is our commitment to you, the bride:

**YOUR WEDDING HAIR TRIAL:** Our Bridal experience begins with your wedding hair trial. Visit us at the salon where your personal wedding hair coordinator will begin the journey with you to create your perfect wedding look and discuss the needs of your bridal party. We commit to getting it right for you by spending quality time listening to how you would like to look.

Our coordinator will look at colour charts to suggest colour options with you, bring you style books including our own wedding hair portfolio and take time to discuss and demonstrate how you may want to incorporate additional hair pieces into your style for the day (hair extensions, hair jewels, tiaras etc.). Please feel free also to bring along any hair accessories that you may have, or any pictures from magazines etc that you have found inspirational, as this always helps to communicate how you will like to look. She will then perform your hair-up for you to see. If you feel it does not look right we will take the time to do it again until it is exactly as you would like on the day.

**ON YOUR SPECIAL DAY:** **We come to you!** The price of our wedding package includes all our travel costs within the Plymouth Area and we will also provide an assistant hairdresser to accompany your stylist to wherever you have chosen to get ready for your wedding day. No hidden call out charges, no travel costs, just one simple price.

### **All this for a fixed price of £180.00**

We will bring everything you will need and arrange to arrive early enough to create your bridal party's hair by the time you tell us you need to be ready. We use only professional hair products, the same that we use in-salon and our stylists are fully insured to come to either a venue or your home. It also gives some people peace of mind to know that all our electrical items have passed P.A.T. certification.

The prices for any additional members of your bridal party in 2011 are as follows:

#### **BRIDESMAID/MOTHER OF BRIDE/MOTHER OF GROOM**

HAIR CURLED (PUT UP IF REQUIRED):	£45.00
BLOW DRY:	£25.00
<u>FLOWER GIRL</u> (under 7yrs old) SIMPLE CURLS ETC:	£15.00
HAIR EXTENSION FITTING FOR ANY PARTY MEMBER:	£10.00

In the unlikely event of stylist sickness we will substitute your stylist for another of our hair-up team. Unfortunately we will not be able to do any additional work on the day that has not been pre booked due to time constraints.

To secure your wedding day appointment we will require a £70.00 deposit (non refundable) with the balance for your party due after the wedding trial.
